

HOW CAN MY COMPANY PUBLISH A LICENSED MIGHTY PROTECTORS® COMPATIBLE PRODUCT?

Thank you for your interest.

First, a couple of preliminary notes: 1.) MONKEY HOUSE GAMES grants use of the MIGHTY PROTECTORS® Compatibility logo. MONKEY HOUSE GAMES does not grant any sort of permission for the use of the name, title or logo for VILLIANS & VIGILANTES®. Any such use must be through a separate arrangement directly with the owner of the V&V trademark, Scott Bizar. 2.) This license is specifically for releasing compatible material for the MIGHTY PROTECTORS® and MONKEY HOUSE GAMES' 2.1 Role-Playing Game Systems only. Any use of the characters, specific items, settings, organizations, concepts, likenesses and storylines of the MIGHTY PROTECTORS® MULTIVERSE require a separate agreement with MONKEY HOUSE GAMES. Please contact MONKEY HOUSE GAMES if you have any further questions.

This is a simple three-step process:

STEP ONE- SEND US YOUR PRODUCT OR IDEA FOR APPROVAL:

Before you send us anything, please review the terms of the licensing agreement. If you are prepared to abide by those terms and you have an idea for a game project utilizing the MIGHTY PROTECTORS™ game system, you can send it to us at:

jack@monkeyhousegames.com and jeff@monkeyhousegames.com

If you have a completed manuscript ready to go, you can submit that completed manuscript.

If you have an idea for a project that has yet to be fully developed, please follow the Writers' Proposal Guidelines: send a treatment of up to one page, followed by an outline of up to no more than four additional pages, and up to no more than another three pages of diagrams, photographs and/or artwork, if necessary.

Please include with any submission (on company letterhead, if applicable) a letter stating that We/I "hereby agree to fully comply with all of the terms of the licensing agreement for the MIGHTY PROTECTORS® game system." with your dated signature or (if applicable) the dated signature of an authorized party from your company with their title.

STEP TWO: STAND BY FOR APPROVAL:

In order to release an officially licensed MIGHTY PROTECTORS® compatible product, your proposal will have to be approved by MONKEY HOUSE GAMES. We resolve to attempt to respond to all requests within 30 days.

Remember, we do not playtest, rewrite, or edit submissions, nor can we advise potential licensors on the specifics of how to use the MIGHTY PROTECTORS® game system. The forums on the MONKEY HOUSE GAMES website is an excellent resource for discussions on everything from rules questions to what players would like to see in new game material.

While we try to be very non-restrictive, we do reserve the right to reject any proposal. For example, a proposal may be rejected if it is too similar to another project already in development from MONKEY HOUSE GAMES or another licensor, or if a proposal is deemed to be “adult content”, potentially offensive or inappropriate for minors. We will try to be as transparent as possible in handling any rejection and we gladly accept re-submitted amended proposals for consideration. The licensing agreement is in effect as soon as your project is approved.

STEP THREE: PUBLISH YOUR APPROVED PROJECT:

Once your project has been approved you are authorized to use MIGHTY PROTECTORS® Compatibility Logo for that project. You must follow the guidelines of the licensing agreement when publishing your product in order to remain in compliance with the agreement.
